# FHS Head Football Coach Tom Stromgren

With two full seasons of rebuilding under his belt, Tom Stromgren begins his third year as head mentor for the Tigers this fall. Stromgren came to FHS in 1969 and suffered through a dismal 0-9 first-year record before heavy recruiting and a re-vamped offense produced the Tigers' 5-5 mark in 1970.

Stromgren and the rest of his staff are pointing towards the 1971 season with 26 returning lettermen and a host of talented transfers and recruits forming the nucleus of the squad. The inexperience of a year ago promises to be the experience of 1971 as eight defensive and seven offensive starters return for the gridiron campaign.

Before coming to FHS, Stromgren served as head football coach at Solomon, Herington and Emporia High Schools and guided the football fortunes at College of Emporia for two years. His combined high school coaching record stands at 42-15-2 and with his two seasons at C of E and FHS in the college ranks he is 18-18-1.

Entering college at Baker University in 1954, Stromgren transferred to C of E where he was a letter winner at the quarterback position in football and also lettered in baseball. After receiving his A.B. in 1958 he joined the high school coaching ranks. He earned his M.S. at Kansas State Teachers College of Emporia in 1969 before coming to FHS.

Pride in Effort is the philosophy Stromgren brought with him to the FHS campus and he immediately put it into effect. While his first pride of Tigers ended the season 0-9, "No group of young men worked harder, and they were always able to hold their heads up in spite of defeat," comments the fiery coach.

But, true pride comes with winning and that is the goal to which Stromgren has pointed his and the team's greatest efforts. Tireless recruiting and a grueling off-season weight and conditioning program enabled the Tiger grid boss to field a team in 1970 that was competitive in every contest they entered.

The 1970 Tigers won half their games but that didn't even slow Stromgren up an inch. More intensive recruiting and a second spring under the Pride in Effort philosophy has given him cause to look up with a secretive smile when asked if it could be possible to build an RMAC champion from an 0-9 club in two short years. The doubters tend to keep their opinions under their breath when they are within ear-shot of Tom Stromgren.

Only three things can wedge their way very deeply into Stromgren's life during a grid campaign. They are the three women in his life: his wife Sally and his two daughters, Kelli Sue, 11 and Rebecca Ann 10. Even his favorite hobbies of bridge, golf and hunting have to wait for the off-season.

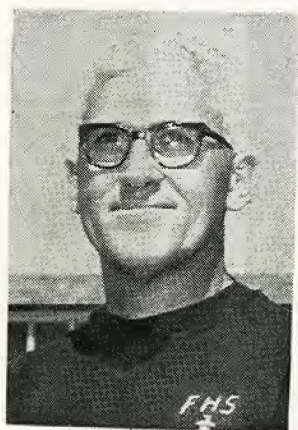

**Defensive  
Coach  
Jim  
Paramore**

Jim Paramore was graduated from Baker University with a B.S. in Education in 1961. He earned his M.S. degree at Kansas State Teachers College, Emporia in 1963. As a four-year letterman at Baker, Paramore was twice named All-KCAC first team, twice named KCAC second team and was named to the Methodist College All-American second team.

A third year man at FHS, Paramore was head coach at Linn and Herington High Schools and at Dodge City Junior College where he compiled a combined record of 42-18-3.

---

**Defensive  
Line  
Coach  
Ed  
McNeil**

Ed McNeil earned his B.S. at Kansas State University in 1949 and his M.S. from the same institution in 1950. A four-year letterman at Kansas State, he was named Honorable Mention All-America as a tackle his senior year. McNeil earned his Ed.S. at Fort Hays State in 1967.

Coming to FHS in 1957 after stints as assistant coach at College of Emporia and the University of North Dakota, McNeil starts his 15th year as line coach and chief scout.

# Offensive Line Coach Jack Ramey

Jack Ramey starts his first year on the Fort Hays State coaching staff. He received his bachelor's degree from Valley City State Teachers College in Valley City, N.D. and his master's from Kearney State College in Kearney, Neb.

He lettered four years in football and wrestling while in college. He was co-captain of the football team for two years, was named Most Valuable Lineman and received an award for being the Outstanding Athlete.

Ramey has previously coached at Lincoln East High School in Lincoln, Neb., Kearney High School and Kearney State College. During this time he compiled a high school record of 25-10 and college coaching mark of 17-3.

## Graduate Assistants

Small college football is not blessed with the financial ability to hire the number of full-time coaches that the larger schools can so Coach Stromgren and his counterparts around the country depend heavily upon the invaluable help they get from graduate assistants.

Stromgren has four such assistants this year including one who returns from last year and three newcomers.

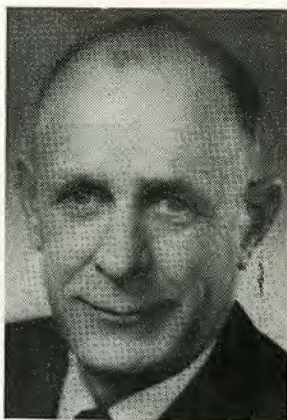

**LARRY ZIERLEIN** starts his second season working with the Tiger linebackers and doing the lion's share of the scouting. Zierlein was himself a Tiger linebacker prior to his graduation.

**DENNIS BROWN** came to FHS last season to play out his last year of eligibility for the man who had been his high school coach at Herington and also coached him at College of Emporia. Brown is sticking around this season to work with the wide receivers.

**MIKE KARL** also played for Stromgren at C of E and came to Hays to take over as the Tigers' starting quarterback last year. A severe back injury cut his playing days short, but he is back this year to coach the Bengal quarterbacks.

**JOHN GETZ** is another returnee from the 1970 Tiger roster. Getz can draw on the experience he picked up as a prep star at Loudonville, O., East Texas State and as a member of the 2nd Marine All-Star team to help him in coaching the defensive backs.

**Athletic  
Director  
Cade  
Suran**

Cade Suran starts his seventh year as Athletic Director at FHS after spending 19 years as the Tiger head basketball coach. In those 19 seasons, Suran rolled up 264 wins against only 151 losses for a winning percentage of 63.6.

Suran's Tiger cage teams won CIC championships in 1950, 1959, 1962 and 1963. They also won the NAIA District 10 (All-Kansas) titles in 1959, 1962 and 1963. The 1959 and 1963 teams both made it as far as fourth place in the NAIA tournament of champions.

Suran earned his A.B. at Kansas Wesleyan University in 1934 and his M.S. at Fort Hays State in 1950. He coached high school basketball at Harlan, Downs and Wellington before coming to FHS in 1946.

**Tiger  
Trainer  
Douglas  
Sebold**

Doug Sebold who is in his second year at Fort Hays, received his Bachelor's and Master's degrees from Long Beach (Calif.) State in 1967 and 1968. The Nebraska native has been athletic trainer at Southwest Missouri State and serves as head trainer at FHS.

# Tiger Outlook for 1971

"If we can develop a rushing game to compliment our passing attack, 1971 could well be the year of the Tiger," remarked Head Coach Tom Stromgren when asked about Fort Hays State's potential for the coming season.

The Tiger squad and coaching staff are optimistic concerning their chances in the RMAC race in 1971 with 26 lettermen returning including eight defensive and seven offensive starters from last year's 5-5 club. "We don't have nearly so many question marks at this time as we did last season," says the Bengals' grid boss.

Heading the list of returnees for the '71 campaign is the Tigers' record setting pass combination of Jonathan Douglas to John Woodworth. Douglas, the Waterbug, is only a sophomore this season and already owns six of the school's passing records. Woodworth, whose long graceful strides and oblivion to the footsteps of the defensive secondary earned him the name of Easy Rider, owns five FHS receiving records and is still only a junior.

Stromgren believes the rest of the receivers on the squad combine to give FHS one of the best crews in small college football. Contests for the other two receiving spots should develop between sophomore Mike Hines and transfer Ken Ziegler at tight end and returnee Max Evans and transfers Dannie and Donnie Gardner at flanker.

The Tigers will be missing their entire running tandem from last season with Tommy Evans graduated and Steve Crosby serving an Army Reserve obligation, and the 2,000-plus yards that they gained in 1970 will be sorely missed.

But, the Tiger running game is not without hope. Hard-hitting Charlie Krull was an able fill-in for Crosby last year, and had a good spring. Gary Dougherty, who was Evans' understudy a year ago, and transfer Reggie Ballew, who had an outstanding spring game, are the top candidates for the tailback job.

Last year Stromgren was uncertain about his young and inexperienced offensive line, but this season finds four returning starters and a highly experienced fifth man returning to the "pit."

Mike Butler, an all-NAIA District 10 performer in 1970 anchors the line at the center spot flanked by Jim Bicknell and Joe Gresnick at the tackles. Gresnick moved ahead of 1970 starter Rick Doran in the spring, and a lively contest could develop for that position.

Phil Stramel returns to his starting guard position and Butch Davis who was the number-one reliever in the line in 1970 should start there this time around.

Rick Lacey and Ed Turner return to the defensive line was joined by 6-6, 250-pound transfer Bruce Bruce, Jr., and veteran Charlie Schirmer. Defensive Coach Jim Paramore hopes that this crew can improve on the pass rush which it lacked a year ago.

Tom Spicer, Dennis Kress, Jake Heck and Bob Givens are the top prospects for the linebacking chores. Givens moves over from a backup role to Butler at center last year. Givens received the most defensive points for a linebacker in the spring game.

The defensive secondary caused the Tigers some problems in 1970, but all-conference cornerback Lionell Jenkins should be even better this year after a good spring and Rick Hahn and Bruce Hawley each has another year's experience under his belt.

After an 0-9 record in the "Dark Days of '69" and a 5-5 record in '70, it would appear indeed that in 1971 the Fort Hays State Tigers are intent on "CLAWING THEIR WAY TO THE TOP!"

# **RMAC History**

The reorganized Rocky Mountain Athletic Conference began league competition in all sports for the first time in 1969. Football and cross-country were excluded from RMAC championship play until 1970 due to previous commitments in the old CIC.

Fifteen colleges and universities compose the new loop and cover five states. The conference is divided into two divisions — Mountain and Plains Divisions. On June 19, 1967, Harry B. (Doc) Kinseley, former information bureau director of the Western Athletic Conference, was named the league's first commissioner. RMAC headquarters are located at 1423 South Garfield, Denver, Colorado 80210. (Phone: 303-756-6311).

Members of the new conference include four members from the old Rocky Mountain Faculty Athletic Conference, four schools that competed in the now disbanded Central Intercollegiate Conference and seven independent institutions.

The league is governed by the commissioner who works jointly with the school's presidents. A grant-in-aid system has been set up to insure equal competition in all sports.

The RMFAC, upon which the new league was formed, is one of the nation's oldest athletic conferences, dating back to 1899 when the Colorado Football Association was formed.

Former members include: Utah, BYU, DU, Utah State, Idaho State, Wyoming, CSU and CU.
